Message 7: Living With the Incredible Sulk

Where there are envy, strife, and divisions among you, are you not carnal and behaving like mere men? (1 Corinthians 3:3).

Pout:

1. To exhibit displeasure or disappointment; sulk.
2. To protrude the lips in an expression of displeasure or sulkiness.
3. To project or protrude.

- Adults often act like children.
- Adults continue unacceptable behavior because it has worked in the past and is part of our sinful nature.
- Carnality keeps you from understanding spiritual things.
