

Watchman 3 Minute Testimony Guide Sheet

*For those who will be sharing a Watchman testimony
in an adult department/class on Sunday, October 2*

I am assigned to room _____ at _____ o'clock.

Purpose of the testimony:

To share how being a Watchman has affected your life spiritually and the blessings you have received.

To share how you think the WPM is benefiting our church.

To encourage those who are not on a wall to sign-up. A new wall is starting up on Oct. 9th. Sign-up tables will be located in the WC foyer that morning and evening. The new wall will have many prime time hours available.

To answer questions about the Watchman Prayer Ministry.

Outline for testimony: BE ON TIME !!!!!!!!!!!

NOTE: The director/teacher of the class *should* have some WatchmanAlerts in their box to distribute. **DO NOT DISTRIBUTE THEM UNTIL YOU HAVE FINISHED YOUR TESTIMONY** (or they will read it while you are trying to share). Distribute them to those NOT ON THE WALL. There won't be enough for everyone. Some may have to share. The purpose of distribution is so non-watchman can see what we use to guide our hour of prayer.

.....
